

TAYLOR GRADUATES LARGEST CLASS IN HISTORY

PENTECOST CENTENIAL OFFERING PLAN ADOPTED BY LEGAL HUNDRED

TO SET TAYLOR FREE FROM
\$300,000 BOND ISSUE IS
GOAL OF NEW DRIVE

The Legal Hundred, in its meeting this morning, adopted a plan whereby they hope the encumbrances on all present endowment may be removed. The Legal Hundred was grouped into ten committees and each committee is asked to raise thirty thousand in gifts or cash, or revenue-producing bonds, notes or property—if possible before January 1st. Gifts of the school bonds of course will have the same value.

In short, the plan is, not to make Taylor rich, but to set Taylor free. Taylor University is one of the chief exponents in this age of the unity, tolerance, purity, power and evangelism of the pentecostal baptism.

Dr. Paul will serve as ex-officio member of all committees, as will Mr. Bishop and Mr. Douglas.

Already one of the members of the Legal Hundred has responded to the letter, which was sent out recently by Dr. Paul, and has stated that he will provide five thousand of the thirty thousand which his committee has been asked to raise. It is meeting the hearty approval of all who are interested in Taylor.

The committee chairmen are: (1) R. L. Stuart; (2) B. W. Ayres; (3) Linton A. Wood; (4) Dr. Monroe Vayhinger; (5) W. P. Manning; (6) Mrs. Bertha Bush; (7) John F. Owen; (8) Melvin J. Hill; (9) G. W. Cooke; (10) P. B. Smith.

Campus Improvement Made Possible By Gift of Mr. M. H. Gaar

By the kindness of Mr. M. H. Gaar, the landscape gardener of the college, our administration building has taken on a more beautiful appearance.

Last Saturday Mr. Gaar brought two truck loads of barberry and fine evergreens, valued at about \$250. The shrubbery was placed in front of the building in a very beautiful and decorative manner, and is under the care of Mr. Watkins.

Mr. Gaar is the owner of nurseries at Cambridge City, and Anderson, Indiana. The whole campus has been designed and landscaped by him and all further developments on the campus will be under the direction of Mr. Gaar. This gift is very much appreciated by all who are interested in Taylor, and especially by the student body. To the already beautiful and home-like place is added more beauty by the gift of Mr. Gaar.

REV. AND MRS. THOMAS PROMINENT EVANGELISTS DELIVER MESSAGES HERE

Rev. and Mrs. John Thomas spoke of "The Holy Spirit and the Fruit of Pentecost" on last Thursday evening. Mrs. Thomas, in her introductory remarks told us that it had been twenty years ago since they first came to Taylor. Her subject was "lukewarmness."

Rev. Thomas used John 20:19 for his text. Among other things he said: "I'm sick and tired of a historical Pentecost—we need it in our own souls." "Pentecost," he said, "means nothing to you if you have not been born again; neither will God baptise a backslider."

Dr. Clarence True Wilson

NOTED LECTURER TO BE COMMENCEMENT SPEAKER

IS STAUNCH ADVOCATOR OF
LAW ENFORCEMENT

Dr. Clarence True Wilson, of Washington, D. C., will deliver the commencement address tomorrow morning at 9:30 A. M. in the new Maytag Gymnasium. This will be the first commencement exercises ever to be held in the new building and will also be an opportunity to hear one of the most outstanding speakers of the day.

Dr. Wilson is secretary of the Board of Temperance and Morals of the Methodist Episcopal Church. His work has been felt throughout the country as a leader in an attempt to enforce the prohibition laws.

Recently, in the North Indiana Conference's annual session, which was held in Hartford City, Dr. Wilson spoke of the plans being made to strengthen the law enforcement. Dr. Wilson does not think that the Eighteenth Amendment will ever be repealed.

T. U. BACCALAUREATE HELD FOR 1930 CLASS

COMMEMORATION OF
PENTECOST IS SUBJECT OF
BISHOP BLAKE IN ADDRESS
TO CLASS

The annual baccalaureate service of Taylor University, held on Sunday, June 8, in the new Maytag Gymnasium, officially opened the exercises of graduation in the institution. After the organ prelude and the usual march of the Legal Hundred and Senior Class the congregation en masse sang the age old hymn of the Church, "All Hail the Power of Jesus' Name." Dr. Morrison then offered the opening prayer.

Following these customary beginnings, Mr. T. H. Maytag was honored by the Editor of the Gem, and Dr. Paul, as the great benefactor of the institution who made the new gymnasium possible. Mr. Maytag in response to the applause of the enthusiastic students and faculty stated in a quiet way the joy he received in making the gift. The next item of interest was a vocal solo by Miss Ella Ruth, who sang: "The Lord is Mindful of His Own." Bishop Edgar Blake then honored Taylor with the baccalaureate sermon. Choosing the subject of Pentecost the bishop forced home a powerful sermon based on the promises concerning it. He stated that we are prone to think of Pentecost from a subjective standpoint entirely. We are often guilty of wishing for a spiritual thrill and power. The giving of the Holy Ghost is all this and more. It is not so much a matter of experience as endowment or geneses. It is merely a beginning and not an end in itself.

Song-Cycle First Of Commencement Exercises Held In Maytag Gym

EVANGELISM OF CHRIST
SUBJECT OF DR. COOKE

The first of the commencement exercises to be held in the new Maytag Gymnasium, was Saturday evening at seven-thirty.

The song-cycle, "The Morning of the Year," was a complete success. The voices of the artists blended excellently. Those who took solo parts in the song-cycle were:

Leota Miller, Soprano
Juanita Frazier, Contralto
Kenneth Wells, Tenor
William Vennard, Bass-Baritone
Jeannette Groff, Accompanist

Miss Geraldine Nicholson, violinist, assisted with two beautiful selections, "Chant Negre" by Kramer, and "Legende" by Branson.

The new Taylor Song "The College that Cares for the Soul," was sung by the quartet as an interlude between the Song-Cycle and the address.

Dr. George W. Cooke addressed the audience on "The Evangelism of Jesus Christ." There is only one way through all the problems of our church and life, and that is through Jesus Christ. The evangelism of Jesus is based upon the blood redemption. We do not need a new message or a new method, the old one is good enough. When Jesus gave us his method, He gave us His final evangelism.

Thalos Elect President For Fall Term

University Artists Give Annual Program

The new Maytag Gymnasium was the scene of a very pleasant and diversified entertainment Monday evening, June 9. The men's chorus sang two selections, "The Fatuous Tragedy," and "Long Ago in old Alcala." Barton Rees Pogue gave the audience a real treat in reading his wonderful masterpiece, "The Hour Glass." Mr. Leroy H. Jones and Wilson Paul, students of Professor Pogue, also read. Mr. Jones read Joseph Lincoln's "Abandoned Elopement," and Mr. Paul, "The Finger of God."

Several artists from the School of Music, also, displayed their wonderful talents. Jeannette Groff, a student of Professor Bothwell gave a piano selection from Liszt, "The Tenth Hungarian Rhapsody." Richard Terry, a violin student of Professor George Fenstermacher, played Earl Bohm's "Introduction and Polonaise." Leota Miller, student in voice of Professor Kenneth Wells, sang two charming selections entitled "Rain," and "The False Prophet." Paul Kenyon, saxophone artist, rendered several appealing numbers. Music on the new Capehart also supplied entertainment for the large crowd that gathered in the new gymnasium.

Frazier and Hathaway Married Sunday Eve

Miss Juanita Frazier and Mr. Theodore Hathaway were married Sunday evening, June 8, according to word received yesterday.

Mr. Hathaway, a former student of Taylor, is being graduated from Ohio State this month. Miss Frazier has been attending Taylor during the spring term of this year.

The couple left school Sunday afternoon and were married in the western part of Ohio.

FARE-YE-WELL

Another school year has come to a close; another editor bids you adieu, but Taylor is continually climbing. Editors may come and go, but the Echo must go on with Taylor.

This year has been full of golden opportunities for each member of the staff. New ideas have been put into effect and an earnest endeavor has been made to truthfully portray the life of the student body as well as interesting contacts with the world about.

We as a staff survey the year, thinking of the things which might have been done and of the paper that we would like to have put out, but to no avail. We have finished the dash—what is done cannot be changed.

I personally want to thank the staff for their loyal support. Without them the paper could not have existed. It is their paper and not that of the editor.

To our Alma Mater we dedicate our work and hope that we have in some way helped to make her name and standards known to the whole world.

To the staff of 1930-31, we wish the best of success and trust that they will publish a paper which will be far superior to the editions of this year.

TAYLOR LOYALTY

Again I want to urge the students as they go out this summer to boost Taylor for 500 students. It can be done by everyone doing his part. Through the eighty-three years of service, Taylor has built a name which cannot be destroyed. When we think that we are a part of such a great influence in the world we should also realize what responsibility and opportunity is ours in helping other students who are of like mind and aims to find a school such as we have.

As the old graduates come back and look with pride and enthusiasm upon the constantly growing school, we are reminded of just how fast we are progressing.

Use your influence to turn students this way and accomplish that goal toward which Dr. Stuart has pointed us. For my part, as a member of such a school I never can do enough to repay my Alma Mater for the influence which has been shed upon my life. I do not think I can repay in any better way than to get more students to come to Taylor, and to boost wherever I may go.

We pledge allegiance to our flag and our country, now may we also pledge allegiance to the school which has been the great influence in our lives.

Talk, work, and pray for the dear old school which we love.

BACCALAUREATE

(Continued from page 1, col. 3)

Bishop Blake called attention to the great objective of Christ as revealed in his prayer. "Thy will be done on earth as in heaven." It was this dream that He dared to die for. Pointing out the fact that the great commandment of Jesus was given the disciples after His death and resurrection, the Bishop stated that this command was the greatest ever imposed upon man: "Go ye into all the world and preach the gospel." God Himself is the only one able to fit us for the

fulfillment of this task. We are utterly insufficient in ourselves, but for this reason was the Holy Spirit given.

Bishop Blake then made his application in terms of the Senior Class. He stated that they were to go out into the business of life with the Trinity, and not alone. Power for service will come only with self effacement, and sacrifice. Sacrifice for which Taylor stands for. The Bishop's closing words were words of hope that not one of the graduates would neglect to tarry for spiritual things and to serve.

INK BUBBLES

The Literary Column

BY JOHN ROOD

If you wish a translation for the Latin title of the following poem, you have only to read the last two words of any stanza. What better advice could be given to us as we go out on our vacations.

Versus Es

I know wherein my duty lies,
 And in that course I must pursue,
 Nor be appalled by darkened skies.
 My Savior calls—I must be true.

The shrieking winds of discontent,
 The salty taunts of joys I knew
 Make roaring waves of my torment—
 They cannot last,—I must be true.

The haven nears! A little while
 And all is well. The skies are blue.
 His tender, warm approving smile
 Repays the cost—My friend, be true.

"Honest confession is good for the soul." (Trite, I know it.) Accordingly, Diogenes's soul ought to be immensely improved after this

Rondel

There is a little I have learned
 Within the school year that has gone,
 Some from the books I pored upon,
 And some from teachers, who have turned
 Knowledge on me, who had not earned
 That prize by studying thereon.
 There is a little I have learned
 Within the school year that has gone;
 And though the knowledge that I spurned
 Be gained by some more studious one,
 How many a pleasure I have drawn
 As if from fire—my hands are burned!
 There is a little I have learned
 Within the school year that has gone!
 Diogenes of Philistia

If I remember correctly, the last contribution of Stereotyped was the "Song of the Constant Lover." His "Song for a Silent Lover," which is presented herewith, sounds a bit contradictory in its title, but the verse explains it.

Song for a Silent Lover

My heart is murmuring tender things,
 But still my lips are mute;
 My fingers play with broken strings
 Of a broken lute.

My spirit is framing a song of love,
 Mad words and music new;
 For the lonely wind is the sound there-
 of,
 Never for you.

I am always whispering passionate words
 Because I love you so;
 The butterflies know of my love, and
 the birds—
 But you will never know.

Stereotyped

Seniors, fifty and two,
 Fighting bravely, but not blue.
 Have arrived at commencement,
 But not with contentment.
 For they've just begun,
 Few battles they've won.

EUREKA OFFICERS

President, Fred Vosburg
 Vice-President, Oral Duckworth
 Sec.-Treasurer, Ivan Hodges
 Chorister, Albert Campion
 Reporter, Charles Smoyer
 Auditing Board: Dayton Musselman,
 Paul Bicksler

They're loyal and true
 To old Taylor U.,
 Holding her standards high,
 This none will deny.

Some rectors, some pedagogues
 Teaching truth, lifting fogs.
 Others given to domesticity
 A home will grace,
 And with feminine felicity,
 Fill woman's sacred place.

Philosopher

It is most encouraging to find a student of English 6, who has so thoroughly absorbed the flavor of Dean Wilbur's rhetoric that he can reproduce it in delightful definitions like these:

Class Cut: A class cut is the union of spirit and matter in a manner such that when the bell rings, the matter, prevailed upon by the spirit, remains inanimate.

Chapel: Chapel is a concentration in one space of a large group of Other-Selves whose contact with the Self upon the platform is broken.

Term Paper: A term paper is like a pomegranite—a fruit composed of seeds, these latter representing tho'ts of laboriously consulted authors.

Professor: A professor is a motile body encased in an abstraction, commonly called "his subject," who rides, like Galahad, a thousand times across the fiery bridge while the student remains, like Percival, upon the shore.

Flunk: A flunk is the result of an unharmonious relationship between knowledge previously unconsumed by the student, and cruelly assumed by the professor.

Cramming: The act of cramming is the placing of unlimited and non-original ideas in a limited space within a limited length of time. (The effect is similar to the manufacture of deer-foot sausage—well-stuffed but with slender results.)

Vacation: Vacation is a period of time in which the spirit overcomes the matter, resulting in a loss of all supposedly gathered information, and in a favorable reaction to a combination of moonlight and mosquitoes.

"S. P.": An "S. P." is the artificially harmonious relationship between Himself and Herself with a corresponding rise in temperature.

Roommate: A roommate is a gregarious animal with an ability for assimilation.

A. B. C. Corresponding Secretary, to Dean Wilbur.

There followeth the tearful farewell of the literary editor to his gentle readers—though the author may have meant something different from that.

Triolet of Farewell

Farewell, I leave thee, weeping,
 Lest, in the interlude, we part.
 My heart is in your keeping—
 Farewell, I leave thee, weeping,
 Though brighter dawns seem peeping
 To flood the lonely mart.
 Farewell, I leave thee, weeping,
 Lest, in the interlude, we part.

INQUIRING REPORTER

What do you think of our new gym?

It's awe inspiring! It is something which Taylor has needed for years. A more useful gift the school could not have received. We alumni feel like coming back and beginning again.

Harrison Wilcox, '27

What do I think of the new gym? Just what all other alumni think—a glorious opportunity for Taylorites. May the Lord bless those who have been willing to invest in future Taylor.

Elma Buchanan, '27

Students come, they tarry but for a time, while Taylor marches triumphantly on and on. Our new Maytag Gymnasium, beautiful in structure, but more beautiful still in the spirit it represents is ample proof of the Taylor spirit and the greater Christian spirit. We of the alumni deeply appreciate this latest addition to the Taylor campus. May her power of service and her devotion receive an equal increase as the years come and go.

E. Stetson, '28

I think the new gym is a marvelous structure. When I think of the spot it rests upon as it was when I first came to Taylor, I cannot understand how so beautiful a structure sprang from a common weed patch. But with God nothing is impossible. As a member of the class of '28 I wish to extend my heart felt appreciation to Mr. Maytag for helping God to answer our prayers.

Mrs. Ora Taylor Burns

Why Go To Taylor?

"Oh, for a 'desert place', with only the Master's smile!
 Oh, for the 'coming apart' with only His 'rest a while'
 Many are coming and going with busy and restless feet,
 And the soul is hungering now, with 'no leisure so much as to eat.'

Dear is my wealth of love from many and valued friends,
 Best of the earthly gifts that a bounteous Father sends,
 Pleasant the counsel sweet, and the interchange of thoughts;
 Welcome the twilight hour with musical enlivening frouth.

Dear is the work He gives many a varied way,
 Little enough in itself, yet something every day,
 Something of pen for the distant, of hands or voice for the near,
 Whether to sooth or teach, whether to aid or cheer."

"God is love." It was the first truth Taylor taught me; it is the last truth on which the soul rests when it is about to pass into the waiting world. It is gathering up into one sentence of the deepest experiences of the mind of God. It is the simplest of all gospel truths and yet is the one solution of the greatest and most tremendous metaphysical problems which have exercised the mind of philosophers. It is that to which some appeal is protest against the mysterious truth which Taylor means to me.

Miguel Palacio

If I had to repeat my college life I would return to Taylor. Through the influence of its teaching it has given me a vision which I am afraid I would have missed if I had gone to some other school. Since it is an A-school, why go anywhere else?

Gomer Finch

Impressions—As usual, the family spirit is that one outstanding feature that one always misses when absent from Taylor, of which one is extremely conscious when at Taylor. The Gem Glorious meets a timely need in student life. The improvements, many, all adding to the picturesque beauty for which the campus is noted. Students, the same as always, good Thalos, merry Philos. What else could be said?

—Bob Clark, '29

"Uncle" Buck: Why didn't you speak to Harvey?
 "Aunt" Kitty: He called me an old fool.

"Uncle" Buck: Nonsense! You aren't 40 yet.

Bishop William F. Oldham

Missionary Bishop Addresses Chapel

Dr. Stuart led in prayer in Chapel Thursday morning, and after the announcements by Dr. Paul, Bishop Oldham brought a message on South America.

"I am a missionary," said Bishop Oldham. "There are 21 American countries. Brazil is a republic full of opportunity." Brazil is larger than the United States, and has better land. It has the best land in the world. It raises 60 per cent of the coffee in the world. It also has rubber, wheat, and ranches.

The Bishop then discussed the Argentines. Buenos Aires is a beautiful city. He gave the following difference between Buenos Aires and Paris: "Buenos Aires is a flapper and Paris is an old woman made up like a flapper." The foot-hills of the Andes are fruit country. The Andes are great magnificent boulders of variegated colors stretching out to meet the sky.

Bishop Oldham said: "Chili is the most interesting and fascinating country I have seen in all my travelling. Valparaiso and San Diego are two beautiful cities of Chili. Chili is a wonderful apple country. The sheep country is farther south."

Bishop Oldham closed his remarks on this wonderful country with this statement: "America is the continent of today; South America is the continent of tomorrow."

FRIDAY CHAPEL

The chapel service was opened by Rev. and Mrs. John Thomas singing a song in the Swedish language.

For the service Bishop Oldham spoke on our population divided into three classes.

First class was the well educated class. The Bishop stated, as much as he liked man and loved man most of them seem to be away from God. He also stated that someone said we would only need one church, but he was different, by saying that we need more than one. He said we cannot do the wrong thing in life and then preach the right thing. We must have the right spirit in our life. Religion to many has only meant one thing, but the heart of man longs for the near presence of God. We must have the presence of God all the time.

The second class is the uneducated class. These people must be worked with those who have a loving heart and a pleasing voice. The Bishop stated that he will help others the way he was helped to come close to God. We might call these people spiritual minded people.

The third class of people are the ones that are like Indians. Bishop Oldham gives us a good illustration of seeing a parade of Indians on Pentecostal Sunday. Most of them were drunk on coming back from the church. He told a story of his going to a conference, and all the hard trouble he had in getting there. Then how he met an Indian woman and brought her closer to God by praying for her. He later met the woman after two years of absence.

The Bishop closed the service by asking each and every one of us to pray for those who have never found the Lord Jesus. We must remember that Jesus is not only Lord of Heaven but Lord of Life.

BACK-TO-THE-CHURCH MOVEMENT COMMENDED BY ANN ARBOR MAYOR

REV. JOHN SHILLING, ALUMNUS OF TAYLOR UNIVERSITY IS DOING GREAT WORK

Ann Arbor, Mich.—The back-to-the church movement being inaugurated by the West Side Methodist Church, of which Rev. John Shilling is pastor, was commended recently by Mayor Edward W. Staebler.

"Along with the vast growth in the forms of amusement, such as the automobile, movies, radio and sports, there has been apparent some tendency to substitute various of these new diversions for the old practice of church going. People who went to church several times a week now consider themselves unusual if they attend once. Others who attended regularly on Sunday may now be found sitting at their radios. Many of our young people find it too irksome to attend at all," Mayor Staebler said.

"Let us concede that people are too busy to attend as frequently as they once did, and that some reaction is bound to be expected. Still it does seem that we have gone pretty far in the other direction—in the direction of amusement. For after all, human nature is no different now than it has always been, and people will not be able to get along without the observances of religion for any period of time. We may be temporarily distracted by the diversions of the moment but it is reasonable to assume that eventually the universal need for religion will manifest itself again, and that people will prefer to divide their time more evenly between religion and amusements than they do now.

"We may accordingly commend Mr. Shilling and the West Side Methodist Episcopal Church for inaugurating a back-to-the-church movement at this time. Whether people are ready for a movement of this sort at this particular moment is something that no one can find out except by trying it and I am sure that Mr. Shilling has the hearty support of the citizens of Ann Arbor in his undertaking."

In a letter recently received from Mr. Shilling, he states: "The mayor gave us a little publicity by his statement to the paper: also Radio Station WJBK is broadcasting announcements of our church four times daily for the

next five weeks, free of charge, and it should take four dollars a day at the present work."

Sunday Evening Service By Dr. H. C. Morrison

"Then Peter said unto them, Repent, and be baptised every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call." Dr. Morrison based his sermon on the latter part of this quotation, taken from the second chapter of Acts, the thirty-ninth verse.

With the fervor of youth, Dr. Morrison appealed to the Christians to wait on God to be endued with the Spirit from on High. From his rich experiences as a minister and evangelist he cited instances where failure was evident but victory was gained by waiting on God.

"One of the difficulties of having revivals now days is that we haven't got time," said Dr. Morrison.

At the beginning of the service the Orchestra and Girls' Glee Club gave a Sacred Concert. Dr. George W. Cooke, a prominent evangelist of the East, and his singer, also gave several sacred numbers in song.

Beloved Professor Seriously Ill

Dr. H. T. Blodgett, former professor of Taylor and a great friend of all who know him, has been very ill for several weeks. He has been confined to his bed for about two weeks, and is gradually losing strength.

"Aunt" Kitty: Don't rescue me. I want to die.

"Uncle" Buck: Well, you'll have to postpone it. I want a life-saving medal.

Customer: I don't like these pictures. They don't do me justice.

Photographer: Justice? Lady, what you want is mercy.

Is your neighbor's boy a triple threat?

Yes. He plays the saxophone, performs on a ukelele, and sings tenor.

Communion Service Conducted by Men's Ministerial Ass'n

The nineteen-hundredth anniversary of Pentecost was fittingly commemorated in the University Chapel Sunday, June 8, under the auspices of the Men's Ministerial Association.

One of the most unique services of the Commencement season was this 6:00 A. M. Communion service. Although it was held so early in the morning, the chapel was nearly filled. Professor Greer gave a brief but inspirational address in tune with the atmosphere of consecration.

Philos Take Baseball Series 3-2

Close Competition
Sends Fifth Game
Into 11 Innings

NORTON KNOCKS HOME RUN

Monday morning the Philos won the baseball series by taking the fifth game by a score of 8 to 7. The game was a fight all the way through and lasted through eleven innings.

What was called, by many alumni, the best game played on Taylor campus, started out with a landslide for the Thaloses. Finch got to 1st on an error by CF. Tyler singled to 3B, allowing Finch to reach 2nd. Gorrell was walked, making the bases full. Norton came to bat. The shouts of "home run" were heard. The first ball that came across was sent far into the woods for a home run. The Thaloses went wild. Bicksler doubled to LF, but soon after Spaude fanned, he was put out sliding 3rd.

The Philos had gone down in the first part of the inning 1, 2, 3. Griswold singled to LF, but was later put out sliding 2nd. A. Long was put out on a grounder in front of the plate, and Bush struck out.

Skelton in the 2nd got to 1B on an error by 2B, but was put out trying to slide 2nd. Palacio was walked. C. Long came to bat, Gorrell thought "Mike" was asleep at 1st and threw, but wild, and Palacio went to 2nd. He immediately stole 3rd and went home on another overthrow. C. Long singled to CF. Griffiths was hit by pitcher, and sent to 1st. Hatfield was put out on a fly to LF, and McKenzie struck out.

The last of the 2nd saw Wilson single to RF. Stuart was struck out and Finch singled, before Tyler and Gorrell were fanned.

Skelton singled in the 4th. Palacio was out on a fly to RF. C. Long singled to LF, scoring Skelton. Griffiths got to 1st on error by 1B. C. Long was put out at 2B. Hatfield singled to CF, and McKenzie likewise to CF, scoring Griffiths. Griswold was struck out. The score was four to three—Philos.

Stuart and Finch were put out on grounders, and Tyler struck out to end the fourth inning.

The fifth inning saw the Philos reach ahead, and snag two more runs. A. Long singled to 3B, and then went to 2nd on the overthrow at 1st. Bush was struck out, but Skelton singled to LF, scoring "Andy." Palacio was out on a fly to P. C. Long singled to CF, scoring Skelton. The Philos went wild. They pulled ahead. H. Griffiths was put out on the first ball pitched, in a fly to LF.

In the sixth, Hatfield and McKenzie were fanned. Griswold was walked, but A. Long was put out on a foul caught by 1B. Hammer and Stuart were struck out, and Wilson was put out on a grounder to P.

Things began to tighten up a bit in the 7th. Bush was put out on a grounder to SS. Skelton singled, but to no avail, for Palacio and C. Long were both put out before he could score.

Finch tripped to RF on the first ball pitched. Tyler and Gorrell both struck out before Norton came to the plate, and singled, scoring Finch. The score was tied 5 to 5. Bicksler got to first on an error by 1B, but neither he or Norton were able to score, before Spaude struck out.

Griffiths, Hatfield, and McKenzie were all put out in quick succession in the first half of the 8th. Hammer was put out for the Thaloses on a grounder to P, while Wilson singled to RF. Stuart singled to P, but forced Wilson out at 2B. Finch was soon out on a grounder to 2B.

At the beginning of the 9th the score was 5-5. Both teams were confident of winning. Griswold got to 1st on an error by CF, and A. Long singled shortly to CF, scoring Griswold. Bush and Skelton were both struck out. Palacio got to 1st on an error by 2B, scoring A. Long. C. Long struck out, but the Philos were ahead by two runs, and it was the ninth inning.

The Thaloses were determined to win, and came back with two more runs to tie the score. Tyler doubled to LF.

Thalonian Girls' Team
Captures Second Game

After many days and hours of hard practice, the girls again fought a hard battle. With the stands full of onlookers, the game began with the Thaloses at bat.

First Inning

In the opening session, the first two girls were put out. As Nutting knocks a three bagger, Bellamy comes in home making the first score. By Hill's good clouting, Nutting scores. Miller brings in a run for the Philos, while the other three up are put out.

Second Inning

Miss Annand's vicious curve quickly retired the first three up.

Annand tried a good fly, but did not get safe. The next two up, Yingling and Waite, were also put out.

Third Inning

Hauber knocked a single and is bro't in by Drake. Nutting is struck out. Philos lost three in a row.

Fourth Inning

Hill knocks a single and is brought in by Fox who dittos Hill's performance. Fox is brought in by Learn, who clouts out a double.

Philos again lose three in a row.

Fifth Inning

By the hard playing of the Thaloses, they got another run. McDonald was the hero.

Philos made a valiant attempt, but could not score. In this inning "Cleo" helped the girls by giving them a drink —of cold water.

Sixth Inning

In this session Nutting knocked another single and is brought in by Hill's consistent hitting.

The Philos succeeded in making two runs this time. One by Scott, and one by "Cotton-Top" Friel.

Seventh Inning

Thaloses lost by the first three batters striking out.

This was the best inning for the Philos, for our heavy hitter Miss Annand lammed out a home run. Yingling and Waite also scored. Scott finally succeeded in stealing home.

Eighth Inning

In this inning Skeet, Nutting and Hill score for the Thaloses.

The Philos lost by the first three batters striking out.

This makes the standing score of 10-7 in favor of the Thaloses. This contest now gives the teams each a game. The final game will be played a later date.

Gorrell doubled to CF, scoring Tyler. Norton singled to CF, scoring Gorrell, while Bicksler was struck out for the first out. Spaude bunted, and got to 1st, but Norton was caught off 3rd, and was put out. Hammer struck out, and the Philos had another chance.

Neither team had heavy hitters in the tenth inning, and both sides went down with four men going to bat on each side.

A. Long singled to CF, Bush was struck out, but Skelton doubled to LF, scoring A. Long. Palacio singled to P, but Skelton was put out sliding home. C. Long was put out on a fly to CF, but the Philos had scored and that was all they cared about.

Gorrell got to 1st on an error by 3B, but Norton, Bicksler, and Spaude were put out in short order, and the Philos had won.

Philos Win 4th Game
To Tie Men's Series

**NINTH INNING RALLY
DEFEATS THALO TEAM**

The Philos won the fourth game of the series by a score of 7 to 6. This game was a mixed up affair with the Philos leading at first, and then the Thaloses near the end.

Finch was first to bat, but was put out by a peg from 2B to 1st. Gorrell was walked, and brought in the only run, while Tyler struck out, and Norton singled. He was unable to score before Hammer struck out.

Griswold got to 1st on error by 1B, and Skelton was walked to bring in the only runs for the Philos in the 1st inning.

The Thaloses were struck out 1, 2, 3 in the 2nd inning, while the Philos grabbed three runs. Griffiths doubled, Hatfield doubled, and Bauer was walked for their three runs.

Skelton allowed Bicksler to get on 1st by the walk method, and then all away around for a run in the 3rd. The Philos were unable to do anything in the 3rd, 4th, or 5th, or 6th, as their men went down 1, 2, 3 with no trouble to the Thaloses.

The 5th inning found the Thaloses pulling ahead with two more. Gorrell got to 1st safely on dropped ball on the third strike, and Finch singled for their only runs of that inning.

Bicksler came to bat in the 7th. The Thaloses were yelling their best. He singled, but was soon put out. Finch singled, as did Gorrell, the next man up. Tyler struck out. Norton singled. Gorrell and Finch had both crossed home plate, before Hammer grounded to P, and was put out at 1st.

A. Long was first up, and singled. Griswold got to 1st on error by 1B. Skelton doubled scoring A. Long, and Griswold. Palacio went to 1st when hit by P. The score was 7 to 6 favor of the Philos, and the game was called because of meal time.

Thaloses Leading 3-2
In Tennis Tourney

The annual Thalo-Philo spring tennis tournament is well under way with the Women's Singles and Doubles, and the Mixed Doubles out of the way. The Philos took the Women's Doubles, while the Thaloses captured the remaining two. The Men's singles and Doubles remain, and it is a toss-up as to who will win.

Last Friday afternoon "Jerry" Nicholson beat "Maggie" Wolf 6-3 in the first set, but lost the second 4-6, and then took the third with the score of 6-3, for a Thalo victory in Women's Singles.

Spaude and Nicholson beat Skelton and Wolf in the mixed Doubles by scores of 6-4 and 6-4, for the second Thalo victory.

Monday afternoon, Wolf and Friel, beat Ockenga and Shaw in the Women's Doubles by scores of 2-6, 6-4, 6-2. This is the first Philo victory, but they promise more.

TENNIS FINALS

The Thaloses won the spring tournament by taking three of the five matches.

Spaude defeated Griswold 7-5, 7-5, 6-1 to take the Men's Singles for the Thaloses. Skelton and Griswold won the Men's Doubles for the Philos by defeating Spaude and Stuart 12-10, and 6-4.
